

CALI P

DA LYRICAL FAYA

CALI P from the Caribbean island Guadeloupe was born with the name Pierre Nanon. As son of a musician, the music itself always had a strong influence into his life, so CALI P started to play Drums with the young age of 3 years. He took his musical inspiration from Reggae Dancehall across to Soul, Jazz, Rock and even Pop Music. Among the drumming, CALI P started to write lyrics at the age of 14 years; he practice the singing for his self-education and musical building and to prepare himself. Finally he joined the Gideon Soldiers Soundsystem in the start of the year 2000 and began his career in the dancehall.

Anywhere CALI P appeared and performed he convinced the people very fast and grow to be a popular artist in Switzerland's dancehalls. His beautiful and clear voice, the talent of writing lyrically good song's, the nice melody's and the self-esteem on stage are very lovely and in the same time a powerful combination who has to be heard and seen as well. CALI P satisfied crowds of people in more than 100 shows which he performed from time to time with his brethrens Ras Charmer, Ras Theo or Phat Promo and not to forget several guest-performances by Soundsystems and live artists such as Gentleman and Capleton. Since the year 2002 you could see and hear CALI P performing with the live band's "Oneness" from Munich or "Soul Fire" from Cologne and now he's playing with the swiss no.1 reggae-backing band, the Scrucialist from Basel.

He played in different location's of different European country's. He visited the *X-Large Festival - Augsburg (D)*, *Backstage - Munich (D)*, *Vienna (AUS)*, *Bruxelles (BE)*, *Montpellier & Paris (F)*, *Open Air Gränichen (Aargau)*, *Integration Festival (Zürich)*, *Festival des 5 continents (Martigny)*, *Fri-Son (Fribourg)*, *Sommer Casino (Basel)*, *Coupole (Bienne)*, *Bierhübeli (Bern)*, *Gaskessel (Bern)*, *Usine (Genève)*, *KIFF (Aarau)*, *TabTap (Schaffhausen)*, *Grabenhalle (St.Gallen)* to name a few. But Europe is not the only place he spread his musical message. From CALI P's "Mamaland Tour" in Africa with Ras Theo in the beginning of the year 2004 he brought a clean meditation, good experiences and above all a lot of energy.

CALI P is a Rasta Youth with a positive and righteous message, a youth who is building his name as conscious reggae dancehall singer. In addition to the Roots-singing and chanting there is CALI P's talent for the fast and even hard dancehall flows which the crowds always appreciate. This you can hear on the combination "Stay With Jah" on Ras Charmer's album "Rastafar I Fulfillment". A next combination, called "Herb's Man Skunk" featuring Ras Charmer and Phat Promo, got airplay on several radio stations. Those songs give CALI P a strong backbone and power for his mission and through he's is always working on new productions people are curious to hear new songs coming from the studio.

If performing alone or with the Wissie Assassination Bobo Ashanty, if performing with the Scrucialists Band or with a Selector, CALI P was without a doubt the swiss dancehall sensation from the year 2004. For the coming year we expect big things!

Watch out, when CALI P spread his lyrical fire
